Spontaneous Prayer with Our Neighbor

45 minutes

Do you wish you had more confidence praying with our neighbors? If so, this workshop is for you. We'll look into exactly what spontaneous prayer is, why we should pray this way, and especially why it can be so useful when encountering our neighbors. You'll leave this workshop with solid skills and greater confidence praying to God in the moment.

To Discern, Not to Decide

1 hour

Ahh, discernment – we've all heard it, but what does it really mean? It's the invaluable ability to judge between truth and error, good and bad, and even good and best. It is a search for the truth, and that truth, for us, is always the will of God. It's not always the most practical or efficient way to make decisions, but it is always the most loving. We'll consider how we can better enhance the gift of discernment in our daily decisions. A sneak peek? If we truly wish to hear His voice, we must first lower our own.

Steps to Fruitful Home Visits

Keys to the Kingdom, or Your Apartment: Exploring the Rights of Tenants & Landlords
45 mins

We all have certain rights and responsibilities, but when it comes to housing, they can be surprisingly hard to understand. This session offers a practical introduction to the rights and obligations of both tenants and landlords, helping us better understand what to expect and how to advocate for those in rental situations.

This session is for educational purposes only and does not constitute legal advice.
